

HALF PPR — Tiered Cheat Sheet

Consensus of Hayden Winks + Josh Norris (Yahoo) + FantasyPros ECR, with FantasyPros weighted double. Number is the overall consensus rank.
• marks a player the sources place 40+ ranks apart — no real consensus, so it's your call. Rules between names are tier breaks.

Tiers are positional, not overall — inside a tier the sources see the players as roughly interchangeable, so take need over rank.
A tier about to empty out is the real signal to reach. K and D/ST are where the sources split on philosophy rather than talent — order of preference only.
Three-source consensus computed from your own lists. FantasyPros ECR as of Aug 25 2026, top 300 only.
