

HALF PPR — Top 300 Consensus Rankings

Straight consensus order: Winks + Norris + FantasyPros ECR (double-weighted). 'Range' is the highest and lowest rank any single source gave. A wide range means the sources disagree. Thinly-covered players are marked .1 rather than given a false range.

Gold ranges differ by 40+ — the sources genuinely disagree and the pick is a judgment call. .1 means only one source ranked them, so there is no consensus to read. Three-source consensus computed from your own lists. FantasyPros ECR as of Aug 25 2026, top 300 only.
